

GRANITE ANNOUNCES RENEWAL OF NORMAL COURSE ISSUER BID

May 14, 2019 Toronto, Ontario, Canada – Granite Real Estate Investment Trust and Granite REIT Inc. (TSX: GRT.UN / NYSE: GRP.U) (“Granite REIT” and “Granite GP”, and, collectively “Granite”) today announced the acceptance by the Toronto Stock Exchange (the “TSX”) of Granite GP’s Notice of Intention to Make a Normal Course Issuer Bid (“NCIB”). Pursuant to the NCIB, Granite GP proposes to purchase through the facilities of the TSX and any alternative trading system in Canada, from time to time over the next 12 months, if considered advisable, up to an aggregate of 4,853,666 of Granite’s issued and outstanding stapled units (the “Stapled Units”) (each Stapled Unit consisting of one trust unit of Granite REIT and one common share of Granite GP), being approximately 10% of Granite’s public float of Stapled Units as of May 10, 2019. Pursuant to a previous notice of intention to conduct a NCIB, under which Granite sought and received approval from the TSX to purchase up to 3,939,255 Stapled Units for the period of May 18, 2018 to May 17, 2019, Granite has purchased, as of April 30, 2019, 49,412 Stapled Units on the open market at a weighted average purchase price of \$52.97 per Stapled Unit. As of May 10, 2019, Granite had 49,443,103 Stapled Units issued and outstanding and a public float of 48,536,662 Stapled Units.

The NCIB will commence on May 21, 2019 and will conclude on the earlier of the date on which purchases under the bid have been completed and May 20, 2020. Pursuant to the policies of the TSX, daily purchases made by Granite GP through the TSX may not exceed 41,484 Stapled Units, being 25% of the average daily trading volume of the Stapled Units on the TSX for the six-month period ended April 30, 2019, subject to certain exceptions prescribed by the TSX, including the “block purchase exemption”.

Granite GP intends to enter into an automatic securities purchase plan with a broker in order to facilitate repurchases of the Stapled Units under the NCIB during Granite’s scheduled blackout periods. Under the automatic securities purchase plan, Granite GP’s broker may repurchase Stapled Units under the NCIB in accordance with any advance instructions that Granite GP may elect to deliver, including without limitation repurchases made at times when Granite GP would ordinarily not be permitted to repurchase Stapled Units due to regulatory restrictions or self-imposed blackout periods. Purchases will be made by Granite GP’s broker based upon the parameters under the NCIB and the terms of the parties’ written agreement.

The Board of Trustees of Granite REIT and the Board of Directors of Granite GP believe that the potential purchases at prices below Granite’s view of intrinsic value are in the best interests of Granite and are a desirable use of Granite’s funds. All Stapled Units that are purchased under the NCIB will be cancelled.
